The easiest, most efficient and economical solution for keeping your pool clean.

**Peace of mind**

Relax and enjoy your pool, knowing that you're using the smartest and best-selling robotic pool cleaner.

# Dolphin S150

## Superior Pool Cleaning

With its ultra-lightweight design and quick water release, the **Dolphin S150** is incredibly easy to handle. Its multi-layer filtration system, featuring ultra-fine filters and integrated coarse filter, effectively captures both rough debris and ultra-fine dirt. The active brushing action, combined with the PowerStream Mobility System, ensures thorough and complete cleaning coverage.

### World's first Climate Care Certified pool cleaner

- Reduce energy consumption by up to 83% / \$350 per year
- Reduce water wastage by up to 60–80%
- Use less chemicals from fewer backwashes
